

# Southwest Wisconsin Wine Trail

Join us for a grand wine tasting adventure through some of the most beautiful areas of hilly Southwestern Wisconsin. We are an organization of family owned and operated wineries bringing you the most diverse sampling of wines that you will ever find in one area. You will find fine grape wines, many made from grapes grown by the winery, luscious fruit wines and Mead (wine made from honey). These wines range from dry to sweet so there is certain to be a wine for almost every palate. Follow the trail anytime or join us for one of our spectacular events.
