Attractions

Everything begins with the stunning natural beauty of the valleys carved eons ago by the Wisconsin and Mississippi Rivers. Travel the Great River Road to experience over 50 miles of our scenic West coast.

The Grant County portion of the Wisconsin River and Mississippi River Shoreline, 95 miles of boating, fishing, camping and more.

This region is one of the country's most agriculturally productive with uniquely contoured cropland and dairies from rustic to modern that make Wisconsin America's Dairyland.

Our mining and agricultural heritage are in evidence everywhere. From the giant "M" near Platteville to the Stonefield Historic site at Cassville, there is no end to places inviting you to stop and enjoy.

History & Museums

Wisconsin does indeed start here and we can prove it. We're even home to the Point of Beginnings.

While we're a big part of the reason Wisconsin is known as America's Dairyland, Grant County has a deep history – literally! The Mining and Rollo Jamison Museums in Platteville tell the tale of how lead mining shaped the community and its university. Go underground and tour an actual lead mine used in the late 1800s.

Learn about the railroad industry too with the Boscobel Depot Museum and Fennimore Railway Museum. Or, be a kid again with the Doll and Toy Museum in Fennimore!

And our history certainly goes back long before the first European settlers. Mounds built by indigenous peoples centuries ago can still be found in the region. Come celebrate all that makes Wisconsin what it is today.

LOCAL COMPETITIONS!

Join us for the Holidays

Which holiday, you ask?
Well, all of them?

July 4th finds Bagley's population boom from 375 to several thousand and Boscobel's fireworks display are a regional favorite. But Platteville, Lancaster and Livingston say their fireworks top those. Check them out and decide for yourself.

Halloween decorations are a sight to behold in many of our communities but it's the 'Safe and Spooky Halloween' at Stonefield Historic Site in Cassville on October 17th that will be a family favorite.

The **Christmas season** tops them all and several communities host craft sales to help you find that one of a kind special gift while you shop small and enjoy the friendly welcome that our businesses offer.

Check our events calendar at www.grantcounty.org/events for details.

Golf

Want to take your golf clubs for a 12 mile* walk?

You and your friends can do that and more by teeing off at all five of our Grant County courses. Or you can play a quick 9 anytime to casually enjoy the serenity of golfing in the rolling hills of the Driftless region.

*Based on hitting each shot straight. Your mileage may vary.

Wineries & Breweries

Vineyards? In Wisconsin? In a land known for beer and cheese, Grant County knows how to do wine too. Along with the Potosi Brewery, stop into any winery around the area, and sample their signature, award-winning creations. There are wineries nestled in the heart of downtown communities, and peaceful places off the beaten path that blend the driftless region's scenery with a glass of relaxation.

Southwest Wisconsin Wine Trail is a consortium of 5 Wisconsin wineries that are located within the Upper Mississippi River Valley AVA (American Viticultural Area). These wineries share a passion for their craft – creating wine. They each have a story to tell. As you visit these wineries you will find that there is a common thread to each story. That thread is the challenge of making great wine from new and emerging grape varieties that are cold hardy enough to withstand the weather of the Upper Midwest. Some of these wineries make their wine using only their own grapes and others wineries don't grow any grapes but do source from local growers. Some of them also make wines from fruit, such as cranberries, apples, cherries and currants. You can even find Mead, a wine made from honey. So take the trail that winds through the beautiful hills and valleys of Southwest Wisconsin and taste the passion and the variety for yourself. With two coasts, you're never too far from the water in Grant County. The Mississippi and Wisconsin Rivers form over 90 scenic miles of natural borders to our north and west. Fishing, kayaking, boating, tubing, swimming, or camping on the beach are just a few ways to enjoy these amazing waterways. But that's just the beginning. Our unique landscape is home to over 100 miles of world class trout streams. Join anglers from around the country as they wet a line and test their skills.

Exploring

Two of Wisconsin's finest state parks offer camping and hiking along with magnificent vistas hundreds of feet about the Mississippi and Wisconsin Rivers. Plus we have public accessible state natural areas and public lands that are part of the Lower Wisconsin State Riverway.

Scenic beauty is just the start. Reconnect with nature, view wildlife up close, and did we mention birding? The Mississippi is a migratory flyway visited by over 270 species of birds.

Any season and any time, Potosi Point is an absolute must stop.

Platteville invites families to enjoy their paved bike trails but true biking road warriors will want to try some of the 28 bike loops in the region that comprise the 'Driftless Challenge'. 936 miles with over 96,000 feet of elevation gain. Whoa!

& The Driftless Area

"Wow!" That's the first thing most people say when they first visit this region closely followed by the question, "Why is this so different?" Well welcome to "The Driftless". The answer to your question goes back some 10,000 to 12,000 years to the last great ice age. Glaciers were pushing down from the north that were leveling and scouring everything in their path...except for what you see here. The glaciers spared this area which preserved our hills and then the waters they unleashed as they receded carved the steep valleys you see today.

Today "the Driftless" covers over 24,000 square miles in a four state area. That's three times larger than the Black Hills in case you were wondering. The Mississippi River carves through the center of it all but that's just the beginning. There are literally thousands of miles of streams and rivers waiting for you to discover them. And the cool spring fed streams make for a trout fishing paradise.

The hills, the valleys, the waterways, even the vegetation make a stunning and beautiful region like nowhere else. Welcome to "the Driftless" and go ahead, say it again...."Wow".

Restaurants & Supper Clubs

Ask any local "where's a good place to eat?" and they'll probably give you a list a mile long!

Grab a bite at a diner, wind down with a drink in a casual atmosphere at a supper club, get a taste of bar-b-que at a smokehouse, have a mouth-watering burger made from fresh, local beef, or try a slice of pizza – boy, do we have good pizza and it's homemade.

But this is Wisconsin. What you really don't want to miss are the Friday night fish fries. Tastiest tradition we have...next to cheese curds...or brats...or...

ATV/UTV-Motorcycle-Snowmobile

We're ATV/UTV friendly and invite you to discover the hidden beauty of our hundreds of miles of backroads. Breathtaking vistas are just around the next corner or over the next hilltop.

And we've long been a favorite destination for motorcycle lovers. In fact our paved highways and byways are a dream come true. Take in rustic sites while you travel back roads or cruise along the water with the Mississippi and Wisconsin Rivers.

When the snow flies, Grant County has over 360 miles of groomed trails maintained by our 11 local clubs.

What are you waiting for? Adventure awaits!

...and on rainy days

Ok, not every day will be a perfect weather day, that's how we keep everything so green! So what do you do on that day when it's raining? Two things immediately come to mind. It's the perfect day for shopping. You'll be pleasantly surprised by the treasures to be found in our many one-of-a-kind locally owned stores. And the museums (Pages 6 & 7) offer hours of discovery.

Got to keep the kids entertained? Try bowling, or a movie, or one of our community libraries. Here's one you might not have considered...coffee shops. Every one of them has an assortment of board games waiting for you along with those aromatic coffee blends and specialty sandwich fare all in a comfortable family friendly setting. And on those hot summer afternoons when you wish you had a pool... guess what, we've got those too. Community pools and family aquatic centers are open to everyone. Splash away!
