Guidelines

INTRODUCTION

The Grant County Agriculture & Extension Education Committee/Fair Board is in charge of County publicity, development of recreation and attraction of industry to the County. The Committee's revenue sources include annual appropriations from the Committee's budget.

GRANT PROGRAM

The purpose of this grant program is to assist Grant County based organizations in developing and promoting activities and events that will foster a positive image to potential visitors, generate overnight visits, extend visitor stays and create a desire to return. Consideration shall be given to new and expanding projects, festivals, sports tournaments, conventions, cultural arts and special events benefiting Grant County and the region.

The grants are reviewed by the Agriculture & Extension Education Committee/Fair Board at the direction of the Grant County Board of Supervisors.

This is a competitive application, based on limited resource dollars. A total of \$10,000 is budgeted for this grant program for 2020.

It is the intent of the committee to allocate up to 30% for Social Media projects and up to 70% for Events/Activities and to award all funds available in this one application cycle. However, the committee may at its discretion adjust the amounts allocated between the categories based on the quality and scope of applications submitted. The committee may at its discretion, approve awards that total less than the total amount budgeted. The committee reserves the right to reject any and all applications that it deems not meeting the requirements or intent of this program.

CATEGORY ONE - EVENT OR ACTIVITY DEVELOPMENT

- **Preference will be given to new projects/events that have not previously received a grant.**
- The grants must be matched on a dollar-for-dollar basis. Matching funds include cash contributions, in-kind contributions or a combination of both.
- In-kind services include contributions of space, materials, loaned equipment and donated professional services, calculated on a local wage scale acceptable to the Committee.
- Single grant awards in this category are capped at \$2,500.00.

CATEGORY TWO – MARKETING/ADVERTISING USING SOCIAL MEDIA

- **Both new and existing projects/events or activities are eligible.**
- Marketing should target audiences located beyond those readily reached by LOCAL radio and print media.
- The grants must be matched on a dollar for dollar basis only. In-kind services are not eligible as match.
- The applicant is encouraged to partner/coordinate with existing tourism related businesses to develop innovative marketing campaigns.
- 'Social Media' is purposely left undefined. Facebook, Twitter, LinkedIn, Instagram, Snapchat, YouTube, Vimeo, Pinterest, Etsy, Airbnb, and a host of others make up and share this fast changing online marketing world. We want this to be an opportunity to experiment and learn.
- The ability to track the effectiveness of the advertising campaign will be weighed by the committee as part of the application award evaluation.
- Single project/event grant awards in this category are capped at \$200.00.
- Chambers or community business groups are encouraged to submit one application combining several events/projects/etc.
 - No single 'community' shall be awarded more than \$1,000.00
